Invitation – 17th Colloquium on Personnel Economics

Dear personnel economists,

In 2014, the Colloquium on Personnel Economics will be held for the 17th time in a row. Paper proposals by researchers from non-German speaking countries are particularly welcome in order to bring together researchers from across Europe and elsewhere.

The 17th Colloquium will be held at the University of Cologne on

19 to 20 March 2014

and will start with a Get-Together on the evening of 19 March.

We proudly present our keynote speakers:

- **Andrea Ichino** (European University Institute)
- **Michael Waldman** (Cornell University)

On behalf of the organizers, Uschi Backes-Gellner, Oliver Fabel, Matthias Kräkel and Kerstin Pull, we would like to invite you to come to Cologne and attend the Colloquium.

Attached to his invitation letter is a call for papers. By the end of the year, we will send out the Colloquium programme along with organizational details. All information will also be provided on the web at <http://www.pwl.uni-koeln.de/POEK2014.html>. Please contact us if you have any questions.

The organizers and the local team are looking forward to meeting you in Cologne.

Best regards,

Dirk Sliwka
